Forecast for Monday 22 Nov 2021

Weather: Mainly dry and bright this morning, but lowering cloud and patchy rain and summit snow probably pushing into Ben Nevis and the north, becoming extensive across the area through this afternoon. Cloudy with patchy rain and drizzle this evening.

Chance of cloud free mountain/hill tops above 800m: 90% at first this morning, lowering 50% by midday and Nil to 20% by dusk.

Visibility: Very good or excellent at first, becoming poor or very poor at height during the day as cloud lowers onto the summits. Little or no significant cloud at first, but becoming extensive from the northwest during the day, bases widespread 600 to 900m by dusk.
